About Zurich

Zurich, largest city of Switzerland and capital of the canton of Zürich. Located in an Alpine setting at the northwestern end of Lake Zürich, this financial, cultural, and industrial centre stretches out between two forested chains of hills, about 40 miles (60 km) from the northern foothills of the Alps. The first inhabitants of the region were the prehistoric peoples whose hut dwellings rose from pile foundations driven into the shores of the lake. The Celtic Helvetii founded a community on the right bank of the Limmat River
