GASTROENTEROLOGY

November 05-06, 2018 | Dubai, UAE

https://www.meetingsint.com/conferences/gastroenterology

Invitation

Meetings International proudly announces the ***International Conference On Gastroenterology*** scheduled during ***November 05-06, 2018*** in ***Dubai, UAE***. The conference emphasizes the theme "***Advancing Gastroenterology in Multidiciplinary Management of Digestive System***".

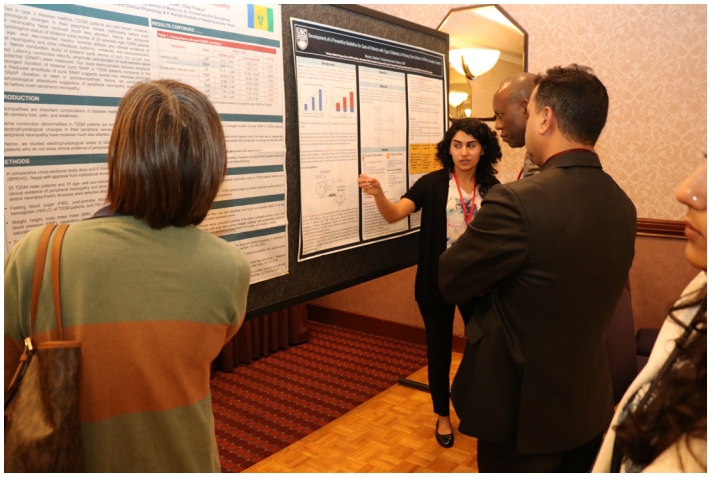

Meetings International provides an international dais for scientists and gastroenterologist to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of of gastroenterology is to increase the awareness of gastrointestinal disorders among people and to identify the gastrointestinal market landscape as well as important advancements. . Infectious gastrointestinal diseases are also becoming increasingly difficult to diagnose due to the increasing dissemination of among microorganisms and the emergence of the so-called 'superbugs'. Taking into consideration these problems, the need for novel therapeutics is essential.

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.
