Tokyo Attractions

Explore Tokyo

Tokyo officially Tokyo Metropolis is the capital and most populous prefecture of Japan. Located at the head of Tokyo Bay, the prefecture forms part of the Kant? region on the central Pacific coast of Japan's main island, Honshu. Tokyo is the political and economic centre of the country, as well as the seat of the Emperor of Japan and the national government. In 2019, the prefecture had an estimated population of 13,929,280. The Greater Tokyo Area is the most populous metropolitan area in the world, with more than 37.393 million residents as of 2020.

Tokyo is the largest urban economy in the world by gross domestic product, and is categorized as an Alpha+ city by the Globalization and World Cities Research Network. Part of an industrial region that includes the cities of Yokohama, Kawasaki, and Chiba, Tokyo is Japan's leading centre of business and finance. In 2019, it hosted 36 of the Fortune Global 500 companies. In 2020, it ranked fourth on the Global Financial Centres Index, behind New York City, London, and Shanghai.
