Healthcare 2019

ABOUT PARIS

Paris, France's capital, is a major European city and a global center for art, fashion, gastronomy and culture. The most visited tourist destination in the world. Its 19th-century cityscape is crisscrossed by wide boulevards and the River Seine. Beyond such landmarks as the Eiffel Tower and the 12th-century, Gothic Notre-Dame cathedral, the city is known for its cafe culture and designer boutiques along the Rue du Faubourg Saint-Honoré.
