HYPERTENSION AND CARDIOLOGY

November 28-29, 2018 | Las Vegas, USA

https://www.meetingsint.com/conferences/hypertension

Invitation

Meetings International proudly announces the **International Conference on Hypertension and Cardiology** scheduled during ***October 01-03, 2018*** in **Las Vegas, USA** . The conference emphasizes the theme "**Control Hypertension: Add life to Longevity** ".

Meetings International provides an International dais for scientists and Cardiology professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. High blood pressure is called the "silent killer" and is a major risk factor for cardiovascular diseases, cerebrovascular events and ischemic heart diseases, so is therefore one of the most important preventable causes of premature morbidity and mortality . Thus priorities are given for Research in hypertension, and it has made tremendous strides in identifying therapeutic options to substantially reduce the risk of future hypertension-related complications.

Explore Las Vegas

Las Vegas simply Vegas, is the 28th-most populated city in the United States and most populated city in the state of Nevada. The city anchors the Las Vegas Valley metropolitan area and is the largest city within the greater Mojave Desert. Las Vegas is an internationally renowned major resort city, known for its gambling, fine dining, shopping, entertainment, and nightlife. Las Vegas annually ranks as one of the world's most visited tourist destinations. It is a top three destination in the United States for business conventions and a global leader in the hospitality industry, claiming many more. The Las Vegas Valley serves as the leading financial, commercial, and cultural center for Nevada and bills itself as The Entertainment Capital of the World, and is famous for its mega casino–hotels and associated activities.
