

20th International conference on

Material Research and Technology

June 27-28, 2024 | London, UK

**Theme: Innovative Approach And Recent Developments
In Materials Research Technology**

<https://www.meetingsint.com/conferences/materialsresearch>

VISIT US

Dear Attendees,

We cordially invite everyone in the world to join us at the **“20th International conference on Material Research and Technology”** on **June 27-28, 2024 in London, UK** which will feature keynote addresses, workshops, poster presentations, exhibitions, and oral lectures. Exploring the New Trends & Horizons of Material Science is the main focus of the gathering

Sincerely,
Operating Committee
MATERIAL RESEARCH 2024

Scientific Sessions:

- Emerging Materials
- Materials and Science Engineering
- Carbon Nanotubes, Graphene, and Composites
- Material Synthesis and Characterization
- Nanotechnology
- Piezoelectric Materials and 3-D Printing
- Materials Engineering
- Polymer Science and Engineering

**To identify the future directions
of research**

Peer review and high quality publication

Young Research Forum:

We are announcing the Young Scientist Awards through the **20th International conference on Material Research and Technology** which is scheduled on June 27-28, 2024 in London, UK. This MATERIAL RESEARCH 2024 focuses on **“INNOVATIVE APPROACH AND RECENT DEVELOPMENTS IN MATERIALS RESEARCH TECHNOLOGY”**.

MATERIAL RESEARCH 2024 and upcoming conferences will recognize participants who have significantly added value to the scientific community of Material science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

Acknowledgment as YRF Awardee Promotion on the conference website, Young Researcher Awards, and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee

DAY 01/ June 27, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

DAY 02/ June 28, 2024

Time	Session
09:00 - 10:00	Keynote Forum
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	Sessions
13:00 - 13:30	Lunch Break
13:30 - 15:30	Sessions
15:30 - 15:45	Coffee/Tea Break
15:45 - 17:30	Sessions

VENUE:

London, UK

London is the capital and largest city of England and the United Kingdom, with a population of just under 9 million. It stands on the River Thames in south-east England at the head of a 50-mile (80 km) estuary down to the North Sea and has been a major settlement for two millennia. The City of London, its ancient core and financial centre, was founded by the Romans as Londinium and retains its mediaeval boundaries. The City of Westminster, to the west of the City of London, has for centuries

hosted the national government and parliament. Since the 19th century, the name “London” also refers to the metropolis around this core, historically split between the counties of Middlesex, Essex, Surrey, Kent, and Hertfordshire, which since 1965 has largely comprised Greater London, which is governed by 33 local authorities and the Greater London Authority.
