Invitation

Meetings International proudly announces the ***Global expert meeting on Veterinary and Animal Science*** scheduled during ***August 06-07, 2018*** in ***Dubai, UAE***. The conference emphasizes the theme "***New Advances in Veterinary and Animal Science***".

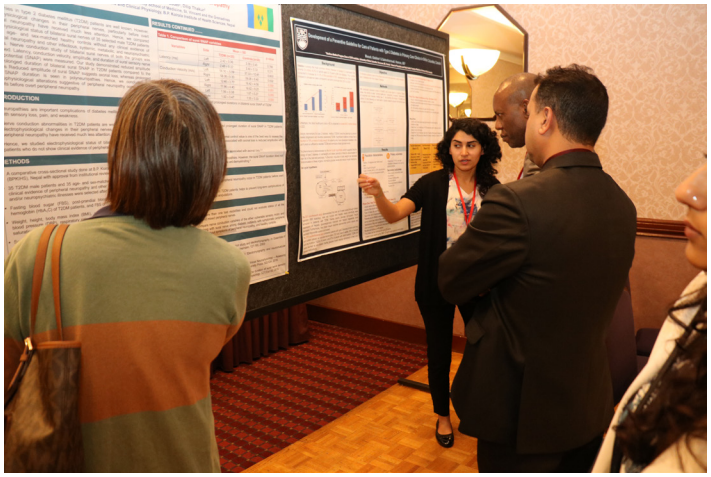

Meetings International provides an international dais for scientists and Veterinary professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of animals has come into spotlight in the recent years. Many of the animals species have become extinct due to the human activities. Thus, priorities are given for the veterinarians to produce more production to support the ever-growing population of the world.

Sincerely,
Operating Committee
CEO and Founder
