INVITATION

ABOUT CONFERENCE

By successfully completing Nanotechnology 2024 conference, we are glad to announce our upcoming "24th International Conference on Nanotechnology" on June 16-17, 2025 in Zurich, Switzerland. The Conference focuses on the Theme **"Future Perspectives: Emerging Trends in Nanotechnology"**
Nanotechnology Summit 2025 invites oral sessions on cutting-edge advancements in nanomaterials, including nanomedicine, innovative applications in regenerative medicine, and the scientific exploration of novel nanoscale interventions. The conference will focus on breakthroughs in nanotechnology for addressing complex health challenges, cutting-edge research in nanomaterials for various industries, and the crucial role of nanoscale preservation techniques in treating diseases and enhancing material performance. Nanotechnology Summit 2025 primarily concentrates on state of the research and the application of innovative nanotechnologies across various fields.

YOUNG RESEARCH FORUM:

We are announcing the Young Scientist Awards through the **24th International Conference on Nanotechnology** which is scheduled on **June 16-17, 2025** in **Zurich, Switzerland**. This Nanotechnology Summit 2025 focuses on "Future Perspectives: Emerging Trends in Nanotechnology". Nanotechnology Summit 2025 and upcoming conferences will recognize participants who have significantly added value to the scientific community of Medical science and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities

TARGET AUDIENCE

- Nanotechnology Researchers
- Materials Scientists and Engineers
- Biomedical Engineers specializing in Nanomedicine
- Nanoelectronics Experts
- Nanotechnology Technicians
- Research Scientists and Innovators
- Academic Faculty in Nanotechnology and Materials Science
- University Departments and Research Institutes
- Industry Professionals and Stakeholders in Nanotech
- Healthcare Professionals involved in Nanomedicine and Biotechnology
- Representatives from Nanotech Associations and Societies

SESSION HIGHLIGHTS

- Cardiovascular Diseases and Disorders
- Cardiovascular Pharmacology
- Neurology and Nanotechnology
- Hypertension and Obesity
- Thoracic and Cardiovascular Surgery
- Cardio-Oncology and Nuclear Nanotechnology
- Cardiovascular Imaging and Image Analysis
- Clinical Case Reports on Nanotechnology
- Stem Cell Research and Regeneration on Nanotech-

  nolog y
- Current Research and Advances in Nanotechnology
- Women's Cardiovascular Health

Meetings International Conference successfully hosted its on Nanotechnology on June 27-28, 2024 in London, UK. The conference was organised with a theme focused on "Nanotechnology Nexus: Where Science meets Tomorrow," and it was a great success.

Eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

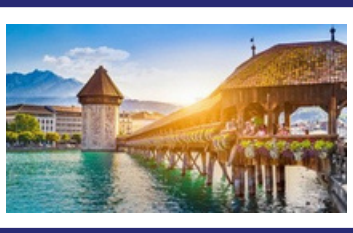

About Venue:

Zurich, a dynamic city in Switzerland, seamlessly blends contemporary sophistication with rich cultural heritage. Begin your journey at the iconic Bahnhofstrasse, one of the world's most exclusive shopping streets, offering everything from luxury boutiques to Swiss chocolates. Visit the historic Old Town (Altstadt), where cobblestone streets and medieval buildings tell stories of Zurich's past. Explore the serene beauty of Lake Zurich, where you can enjoy boat rides or a relaxing stroll along the promenade. Discover the city's cultural treasures at the Kunsthaus Zurich, a renowned art museum, and the Swiss National Museum, which showcases the country's history. Don't miss a visit to the Zurich Zoo, home to a wide variety of animals and the impressive Masoala Rainforest. Experience the culinary delights of Zurich at traditional Swiss restaurants or trendy eateries in the vibrant districts of Zurich West and Niederdorf. For a unique perspective, take a trip up to Uetliberg Mountain, offering panoramic views of the city and the Alps. Zurich's efficient public transport system, including trams and boats, makes
exploring the city convenient and enjoyable.
