

International Conference on

Nanotechnology and Nanomaterials

May 27-28, 2022 | Zurich, Switzerland

Invitation

Dear Attendees,

Meetings International proudly announces the **International Conference on Nanotechnology and Nanomaterials** scheduled during **May 27-28, 2022 | Zurich, Switzerland**

The conference emphasizes the theme "Nanotechnology and Nanomaterials".

The Nanotechnology and Nanomaterials 2022 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This Nanotechnology and Nanomaterials care Congress composed of well-organized scientific sessions, plenary sessions, Oral presentations, Poster presentations, one-to-one meetings, networking sessions, e-poster presentations, Young Researcher Forums (YRFs), B2B meetings, International workshops, Symposiums, Industrial sessions, Exhibitor presentations, etc.

Sincerely,

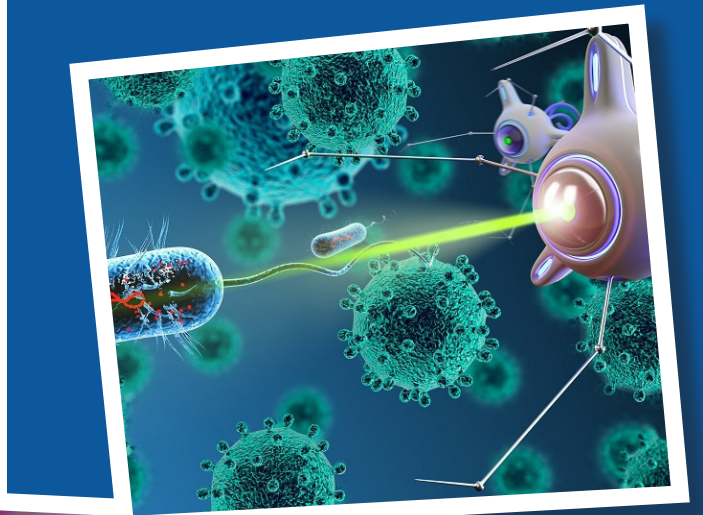

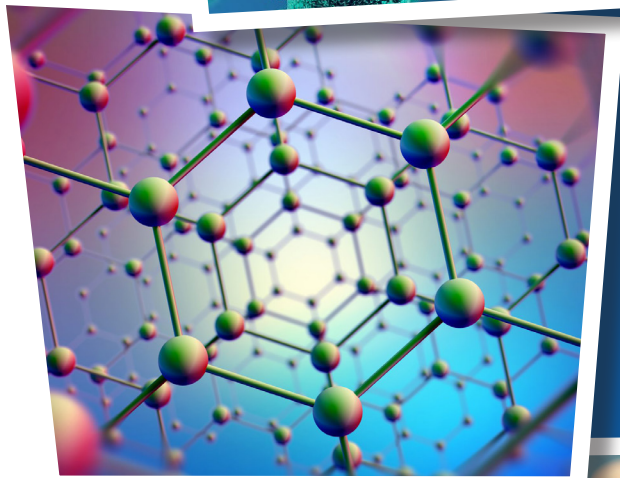

Operating Committee

Nanotechnology and Nanomaterials

Conference Highlights

- Nanotechnology in Materials Science
- Application of Nanotechnology
- Nanoparticles
- Nanophysics
- Nano Robotics
- Nanotechnology in Communications & Information Technology
- Functional Nanomaterials

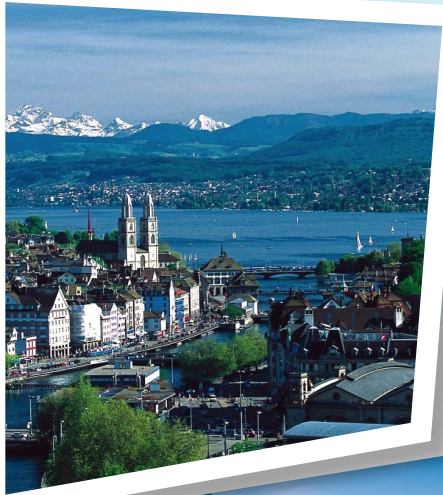

Zurich Attractions

Explore Zurich

Zurich is the largest city in Switzerland and the capital of the Zurich canton. Although the population of Zurich is a bit over 400 000 people, it is one of the world's largest financial centers. The official language spoken in Zurich is German, and the official currency is the Swiss franc.

The climate in Zurich is a combination of continental and oceanic climate with warm summers and cold winters. The warmest month is July when the highest average temperature is 24°C and in winter, temperatures often drop below zero. Zurich weather is typical for the seasons, from cold and snowy winter to sunny summer days. However, that is why you can visit Zurich anytime, since it has all four distinct seasons.
