Past Event Report

Meetings International Conference successfully hosted its fifteen series on the **“World Nephrology Conference”** **Hotel Ana Crown Plaza, Narita in Tokyo, Japan** during **April 16-17, 2025**. The conference was organized with a theme focused on “Revolutionary Treatments and Cutting-Edge Technologies in Nephrology,” and it was a great success. Eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.
