Past Event Report

Meetings International Conference successfully hosted its Sixth series on the “International Conference on Nursing in Dubai, UAE during November 14-15, 2022. The conference was organised with a theme focused on “New Trends and Innovations for a Better Health through Nursing Research” and it was a great success.

Eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the organising committee members played a major role in the success of the conference. On the other hand, we take the opportunity to thank all the speakers, delegates, and participants for providing their valuable support and time for the conference.

About Venue:
