Invitation

Oncology 2018

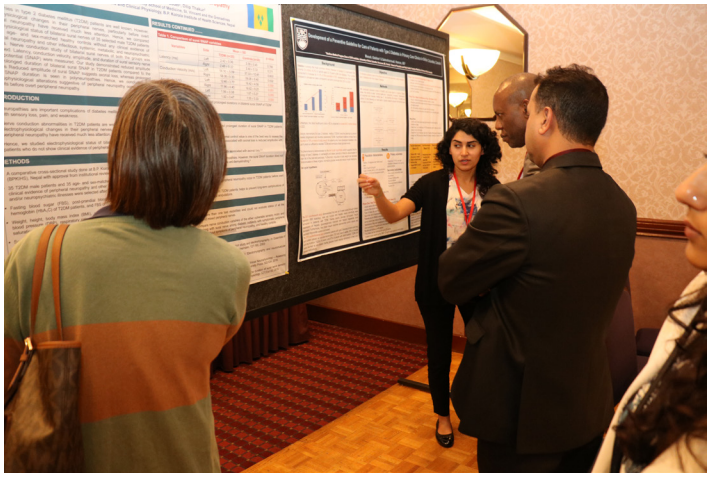

Meetings International proudly announces the ***International Conference on Oncology and Radiology 2018*** scheduled during ***December 03-04,2018*** *in* ***Sydney, Australia.*** The conference emphasizes the theme "***Advancements in Oncology and Radiology , different perspectives of curing cancer***".

Meetings International provides an international dais for scientists, researchers, nutritionists and engineers to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of promoting research towards cancer treatment is of main concern to lead a healthy life as the cancer's incidence rate is rising. Thus there is a need to create awareness for being proactive in preventing the cancer.

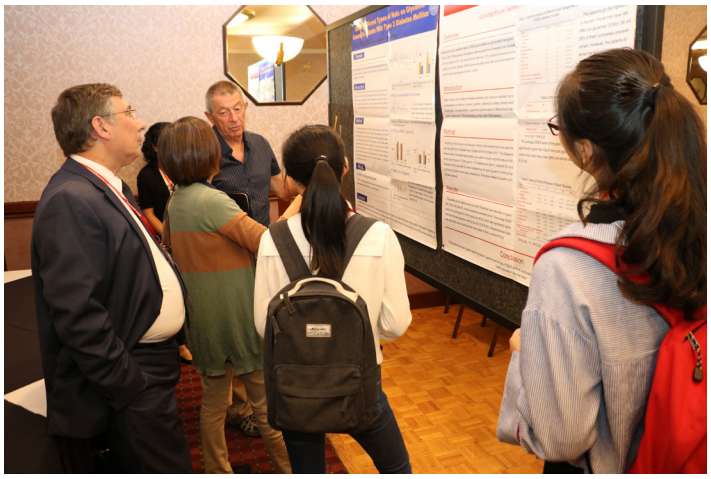

Sincerely,
Operating Committee
CEO and Founder
Meetings International PTE LTD.
