Explore AMSTERDAM

Amsterdam is the Netherlands' capital, known for its artistic heritage, elaborate canal system and narrow houses with gabled facades, legacies of the city's 17th-century Golden Age. Amsterdam is one of the most popular tourist destinations in Europe. In spring, Amsterdam is a base for visits to the surrounding tulip attractions. Other important cities include Hague, Holland and Rotterdam. Golden Age canals lined by tilting gabled buildings are the backdrop for Amsterdam's treasure-packed museums, vintage-filled shops and hyper-creative design, drinking and dining scenes.
