Explore Toronto

Toronto, the capital of the province of Ontario, is a major Canadian city along Lake Ontario's northwestern shore. It's a dynamic metropolis with a core of soaring skyscrapers, all dwarfed by the iconic, free-standing CN Tower. Toronto also has many green spaces, from the orderly oval of Queen's Park to 400-acre High Park and its trails, sports facilities and zoo. The economy of Toronto is the largest contributor to the Canadian economy, at 20% of national GDP, and an important economic hub of the world. Toronto is a commercial, distribution, financial and industrial centre. It is the banking and stock exchange centre of Canada, and is the country's primary wholesale and distribution point. Ontario's wealth of raw materials and hydroelectric power has made Toronto a primary centre of industry.
