14th Global Summit on

Renewable Energy and Resources

October 19-20, 2023 | Paris, France

https://www.meetingsint.com/conferences/renewable-energy

Invitation

Dear Attendees,

Meetings International proudly announces the ***14th Global Summit on renewable Energy and Resources*** scheduled during October 19-20, 2023 in Paris, France.

The conference emphasizes the theme "The Role of Energy in Achieving Sustainable Development".

The Renewable energy 2023 gathering gives a mind- blowing opportunity to discuss the latest progressions inside the field. The joy of attending Renewable Energy 2023 brings with it improvement and incremental growth in your approach to do things, in the broader manner to see things and the beauty to live international diversity. Renewable energy Conference includes prompt keynote presentations, Workshops/Symposia, Oral talks, Poster presentations, and Exhibitions. Renewable energy 2023 focuses on problems and challenges of upcoming technologies and ideas of Renewable.

Renewable Energy 2023 is the place where one can go beyond imaginations apart from scientific world. Just you have to grab the opportunity for a remarkable memory where we can continue to engage the extraordinary talents and resources which can lead us in the important time.

Sincerely,

Operating Committee

Paris Attractions

Explore Paris

Paris, the city of Lights, the fashion capital, the city of Love. All these nicknames are far from enough to reveal all of Paris. Paris is one of the most beautiful cities in the world. It is known worldwide for the Louvre Museum, Notre-Dame cathedral, and the Eiffel tower. It has a reputation of being a romantic and cultural city. The city is also known for its high-quality gastronomy and the terraces of its cafés.

Paris is an old city with much History. Prehistoric vestiges have been found in Paris, but we only really know the History of the city since the Gallo-Roman times, when Paris was called Lutecia. Paris has always been at the center of History. There are monuments and buildings from every era in the city. Whatever your favorite period is, you will find a monument or a museum for you. That's how incredible Paris is! Paris is full of monuments from all eras and has all architectural styles.

From the oldest antic vestiges to the most recent buildings, anyone can find something they like. They are not just witnesses of the times gone by; they are also internationally famous architectural achievements. Some of them, especially the Eiffel Tower, are such strong symbols that they can often be seen on media. The History of Paris, France, and even humanity can be witnessed thanks to Paris' most beautiful monuments. Apart from its many monuments, you can also find a great number of museums in Paris, more than 144 according to the Convention and Visitors Bureau of Paris. Whether you love art, science, history, or simply want to introduce these fields to your children, you can always find a museum that will interest you in Paris. Some of the most famous works of art are on display in Paris. Art lovers from all over the world come to Paris to see them.
