ABOUT LAS VEGAS

Las Vegas Spanish for “The Meadows” which is the 28th-most populated city in the United States. Las Vegas is an internationally renowned major resort city, known primarily for its shopping, fine dining, entertainment, and nightlife. It is a top three destination in the United States for business conventions and a global leader in the hospitality industry, claiming more AAA Five Diamond hotels than any other city in the world. Las Vegas has a subtropical hot desert climate typical of the Mojave Desert in which it lies. This climate is typified by long, very hot summers; warm transitional seasons; and short, mild to chilly winters. The major attractions in Las Vegas are the casinos and the hotels, although in recent years other new attractions have begun to emerge. The Smith Center for the Performing Arts & Discovery Museum. A large mural by artist Shepard Fairey is seen in the Arts District. The city is home to several museums, including the Neon Museum (the location for many of the historical signs from Las Vegas’s mid-20th century heyday), The Mob Museum, the Las Vegas Natural History Museum, the DISCOVERY Children’s Museum, the Nevada State Museum and the Old Las Vegas Mormon State Historic Park. Las Vegas has 68 parks.
