Invitation

Dear Attendees

Meetings International presents the 4th International Conference on Sensors and Electronic Instrumentation, scheduled on during July 18-19, 2022 at Miami, USA

This year we are that specialize in the theme "IOT AND WIRELESS SENSOR NETWORKS".

Meetings International presents a conference for the Sensors and Electronic Instrumentation Industry which is scheduled to be held from July 18-19, 2022 in Miami, USA. The objective of the conference is to introduce and encourage new aspects and novel innovative technologies and advancement from the global and local business professionals, scientists, professors, directors of associations, delegates, industrialists, researchers, and students from the field sensors and electronic instrumentation, to interchange information on their latest research progress and with a theme "IOT AND WIRELESS SENSOR NETWORKS" to cover almost all aspects and fields of sensors and electronic instrumentation.

Sincerely,

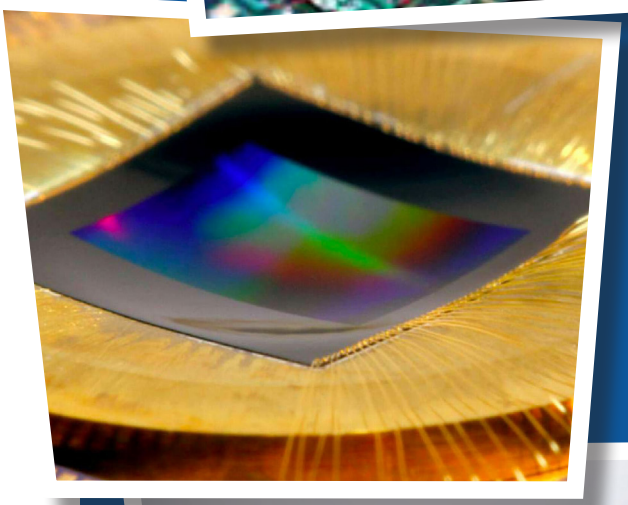

Operating Committee

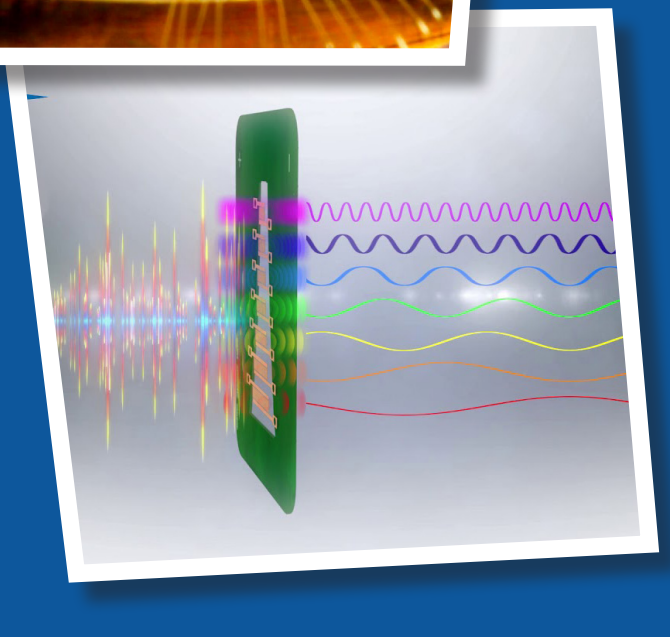

Sensors 2022

Conference Highlights

- Acoustic wave Sensors
- Radiation sensor
- Biosensor
- Fiber Optic Sensor
- Quantum sensors
- Electromagnetic sensors
- Bio MEMS
- Humidity Sensor
- Remote Sensors and Telemetry
- Nanomaterials and Electronics Technology for Sensors
- Infrared Sensors , Devices and Thermography
- Sensor Interfacing and Signal Conditioning

- To identify the future directions of research
- Peer review and high quality publication
- Quality research

Miami, USA Attractions

Explore Miami, USA

Miami is an international city at Florida's southeastern tip. Its Cuban influence is reflected in the cafes and cigar shops that line Calle Ocho in Little Havana. On barrier islands across the turquoise waters of Biscayne Bay is Miami Beach, home to South Beach. This glamorous neighbourhood is famed for its colourful art deco buildings, white sand, surfside hotels, trendsetting nightclubs. Miami is one of the states and the world's most popular vacation spots. Though destinations often are said to offer something for everyone, the Miami area does indeed offer multiple enticements for everyone.

Miami has a highly diversified economy with over 170 multinational companies headquartered in the city and its environs. Top economic sectors include tourism, services, trade, manufacturing, real estate, and construction. Major employers include the Miami-Dade County school district, county, federal, and state governments, University of Miami/Jackson Memorial Medical Center, and Bell South.
