let you engage better

About Physiotherapy 2023

Webinar on Physiotherapy will be hosted on August 24, 2023 in London, UK. Panel of speakers will be delivering their presentations on their recent research related to sport medicine. Current state of knowledge, its impact on future will be discussed in detailed. Meetings International invites all experts to be part this webinar series and make it a perfect platform for knowledge sharing and networking. Physiotherapy is a term involving various medical and paramedical personnel including exercise physiologists, kinesiologists, athlete trainers, physical therapists, physical educators and many more as they are involved with various aspects of physical activities and athletes.

Physiotherapy Market

The Physiotherapy market size was valued at \$8520 million in 2020, and is projected to reach \$12862 million by 2030, registering a CAGR of 5.1% from 2021 to 2030. Sports medicine is a broad field of medical practices associated with physical and sports activity. It is the branch of medicine that deals with physical fitness and treatment and prevention of injuries related to sports and exercise. It focuses on areas of performance enhancement, injury care, and prevention of sportsmen. It includes preventative measures such as injury prevention and coverings like rehabilitation and osteopathy.
