10th International Conference on

Surgery and Surgeons

June 24-25, 2022 | New York, USA

https://www.meetingsint.com/conferences/surgeons

Invitation

Dear Attendees,

Meetings International proudly announces the ***10th International Conference on Surgery & Surgeons*** scheduled during ***June 24-25, 2022 | New York, USA***.

The conference emphasizes the theme "***A GLOBAL DISCUSSION ON SURGERY RESEARCH & TECHNIQUES***".

The SURGEONS MEET 2022 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in Surgery and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of Surgeons Meet 2022 is to provide an international technical forum to showcase recent advances in Surgery.

Sincerely,

Operating Committee

Explore New York, USA

New York City, officially the City of New York, historically New Amsterdam, the Mayor, Alderman, and Commonality of the City of New York, and New Orange, byname the Big Apple, city and port located at the mouth of the Hudson River, south-eastern New York state, north-eastern U.S. It is the largest and most influential American metropolis, encompassing Manhattan and Staten islands, the western sections of Long Island, and a small portion of the New York state mainland to the north of Manhattan. New York City is in reality a collection of many neighbourhoods scattered among the city's five boroughs—Manhattan, Brooklyn, the Bronx, Queens, and Staten Island—each exhibiting its own lifestyle. Moving from one city neighbourhood to the next may be like passing from one country to another. New York is the most populous and the most international city in the country

New York is the most ethnically diverse, religiously varied, commercially driven, famously congested, and, in the eyes of many, the most attractive urban centre in the country. No other city has contributed more images to the collective consciousness of Americans: Wall Street means finance, Broadway is synonymous with theatre, Fifth Avenue is automatically paired with shopping, Madison Avenue means the advertising industry, Greenwich Village connotes bohemian lifestyles, Seventh Avenue signifies fashion, Tammany Hall defines machine politics, and Harlem evokes images of the Jazz Age, African American aspirations, and slums.
