Dear Attendees,

Meetings International is glad to announce its upcoming **"5th International Conference on ENT"** scheduled on **November 13-14, 2024** in **Dubai, UAE**. The conference is organized with the theme: **"Hearing, Breathing & Speaking: Breakthroughs In Ent"**.

Explore the latest advancements in ENT diagnostic techniques surgical procedures, and medical interventions. We take great pleasure in inviting Scientists, Physicians, Otologists, Rhinologists, Audiologists, ENT Doctors, laryngologists, Surgeons, and associated Otorhinolaryngology Professionals worldwide for our upcoming to witness and participate in highly professional scientific discussions and sessions.

ENT 2024 will have invited Talks/Keynote Talks, Scientific Sessions, Workshops, Poster Presentations, Exhibitions, B2B meetings, Networking Sessions, etc. As part of encouraging young researchers, we have a special session, Young Research Fellow. In this session, all the students pursuing a doctoral degree are eligible to participate and the best paper presenter will be awarded Young Research Fellow (YRF) Award.

Hope you all join and make the year's most exciting event successful.

We accept abstracts for oral presentations; therefore request you all submit the abstracts at the earliest before the early bird dates.

Sincerely,
Operating Committee
Ent 2024

Young Research Forum:

Meetings International is announcing the Young Scientist Awards through the **5th International Conference on ENT** which is scheduled in **Dubai, UAE** during **November 13-14, 2024**. This ENT conference focuses on Hearing, Breathing & Speaking: Breakthroughs In Ent.

ENT 2024 will recognize participants who have significantly added value to the scientific community of Otolaryngology and provide them with outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our international conferences.

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective areas by giving them a chance to present their achievements and future perspectives.

Acknowledgment as YRF Awardee Promotion on the conference website, Young Researcher Awards, and certificates Link on the conference website Recognition on Meetings Int. Award Page Chances to coordinate with partners around the world Research work can be published in the relevant journal without any publication fee

VENUE:

Dubai, UAE

Dubai, a glittering gem in the heart of the United Arab Emirates, epitomizes the fusion of tradition and innovation. Rising majestically from the golden sands of the Arabian Desert, this cosmopolitan metropolis is famed for its futuristic skyline dominated by the awe-inspiring Burj Khalifa, the tallest structure in the world. Along the pristine coastline, opulent resorts and the iconic Palm Jumeirah beckon visitors seeking sun-soaked relaxation and adventure. Cultural landmarks, such as the Dubai Museum and the historical Al Fahidi Quarter, provide a glimpse into the emirate's rich heritage. Whether marveling at architectural wonders, indulging in world-class dining, or experiencing the thrill of a desert safari, Dubai's dynamic energy and opulent charm captivate all who visit. .The conference will take place at MD Hotel - By Gewan
