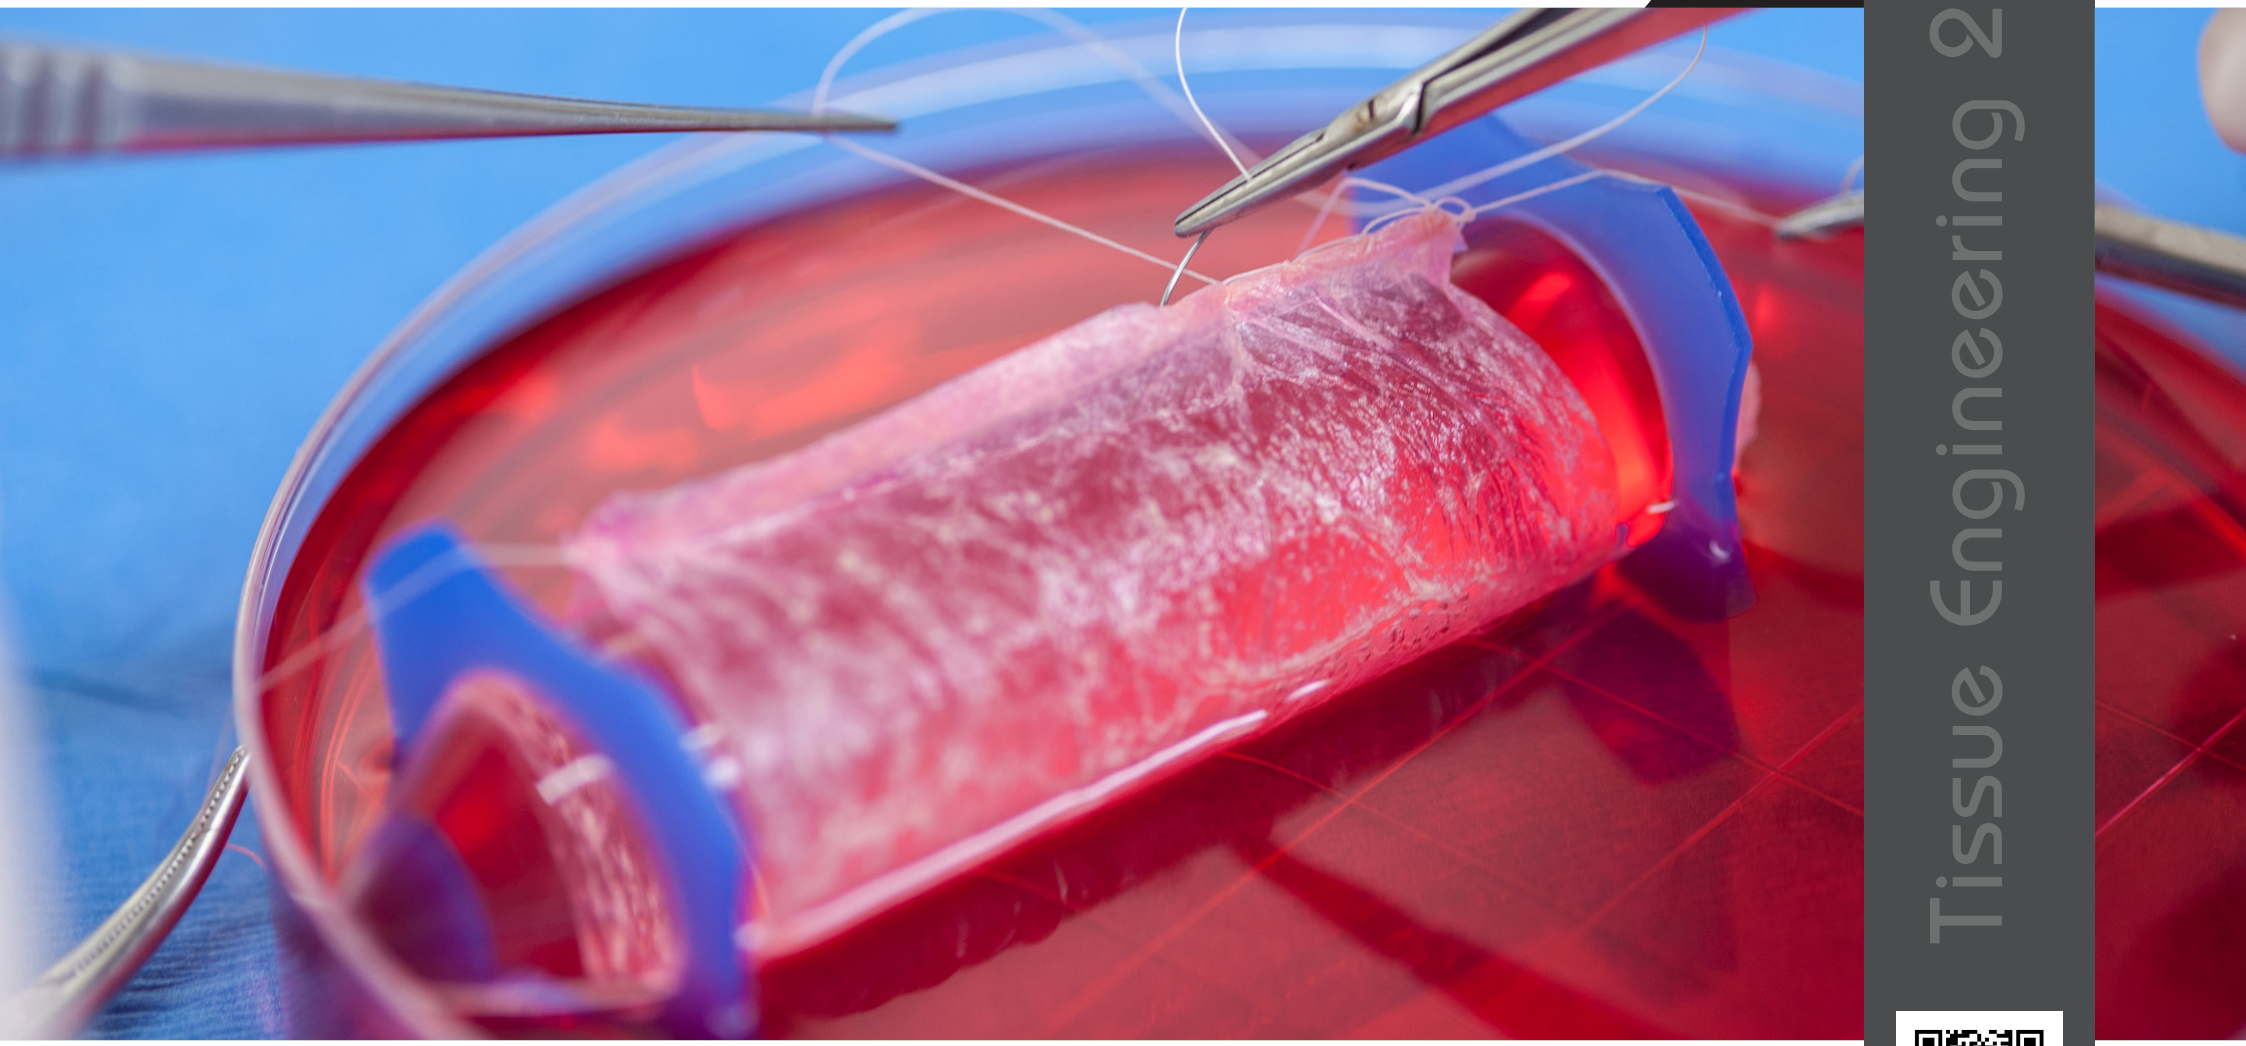
Annual Next-Gen Tissue Engineering & Regenerative Medicine



Tissue Engineering 2019

October 14-15, 2019 | Singapore City, Singapore

INVITATION

Tissue Engineering 2019

Meetings International proudly announces the **Annual Next-Gen Tissue Engineering & Regenerative Medicine** scheduled during **October 14-15, 2019 at Singapore City, Singapore.** The conference emphasizes the theme "**Novel Perspectives on Tissue Engineering**".

Meetings International provides an international dais for scientists and Tissue Engineering professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. The importance of Regenerative Medicine and Stem Cell has come into spotlight in the recent years. Tissue Engineering focuses on the importance to understand the ability to generate living tissue ex vivo/in-vivo/in-vitro for replacement or therapeutic applications through materials development, biochemical manipulations, cell culture, and genetic engineering.

Sincerely,
Operating Committee
Tissue Engineering 2019

Important Dates

Early Bird: **April 30, 2019**

Registration Open: **August 28, 2019**

On Spot Registration: **October 14, 2019**

Singapore City

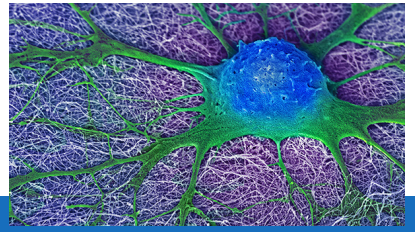
CONFERENCE HIGHLIGHTS

- Tissue Engineering
- Tissue Materials and Process
- Regenerative and Personalized Medicine
- Scaffolds Used In Tissue Engineering
- Biomaterials and Bioengineering
- Biopharmaceuticals and Biomedicine
- Bone and Cartilage Tissue Engineering
- Skin Tissue Engineering
- Bioartificial Organs
- Stem Cell Engineering (SCE)
- Cancer Stem Cells
- Novel Approaches in Guided Tissue Regeneration



Meetings Int. offers

An unique platform for top level research and innovation

Singapore City
Singapore

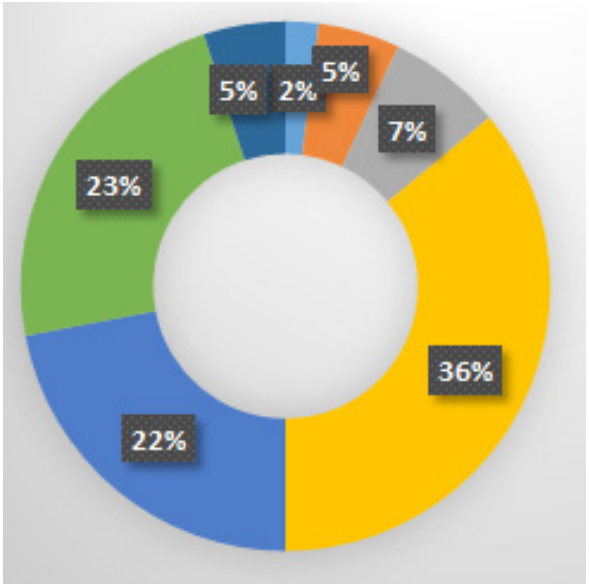
Tissue Engineering 2019

WE VALUE

Quality research

To identify the future directions of research

Peer review and high quality publication



- Head Management/CEO/Manager
- Dean
- Director
- Professor
- Students
- Research Scolars
- Business Enterprenures

ABOUT SINGAPORE CITY

Singapore is one of the great cities of the world, with its blend of Asian and European cultures. Singapore's famed Marina Bay is the place to go to see the city's most spectacular side. With the fast development of this cosmopolitan city-state, the whole Marina Bay area has undergone a transformation of epic proportions. Universal Studios Singapore is the first amusement park of its kind to open in Southeast Asia. The park has more than 20 attractions in themed zones including the Lost World, Ancient Egypt, New York, Hollywood and Madagascar. The luxurious colonial-style hotel has a long history dating back to 1887 and has become one of the most important Singapore landmarks. Chinatown is another Singapore icon great for shopping to see all kind of important attractions and trying out authentic Chinese food. The Singapore Flyer is the world's largest observation wheel. Sentosa is a purpose built island off the southern tip of Singapore which was built with leisure and relaxation in mind. A collection of beaches, theme parks, golf, shopping, dining and more are all available on this strip of reclaimed land that can be reached by road or cable car. Singapore Night Safari is truly a unique attraction. It is not only an interesting place worth a visit but a leading conservation and research Centre in Asia.
