Invitation

Meetings International proudly announces the ***International Conference On Wound Care, Tissue Repair and Regenerative Medicine*** scheduled during ***October 29-30, 2018*** in ***Amsterdam Netherlands***. The conference emphasizes the theme ***"Advanced wound healing techniques for the cure and care of wounded patients".***

About Conference:

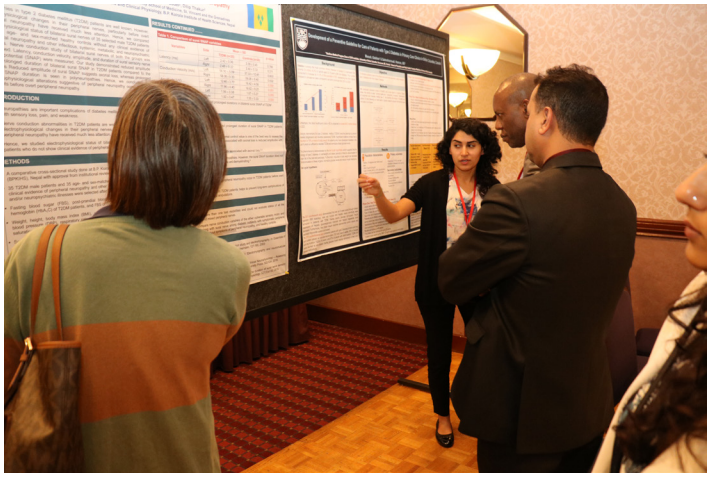

Meetings International provides an international dais for scientists and Pharmacy professionals to Exchange Ideas, Knowledge and Networking at its **100+ International Conferences**. It's important to share knowledge with others due to newly generated problem. The optimization of perioperative processes, in which Modern Chromatographic Technique assumes an important role in Modern Chemistry and become increasingly important in the last few years. Recent studies of Analytical Chemistry and Modern Chemistry have shown that the Novel techniques of Chromatography can have a relevant influence in Pharmacy Science.

Sincerely,
Operating Committee
Meetings International

- Wound Healing & Regenerative Medicine
- Burns & Advanced Wound Care
- Stem Cell Therapy
- Wound, Ostomy & Continence Nursing
- Skin & Skin Cancer
- Wound Care Management & Therapies

Meetings Int. offers

An unique platform for top level research and innovation

WE VALUE

To identify the future directions of research

Peer review and high quality publication

Quality research

Number of Attendees

200 +

- Societies, Universities & Hospitals
- Companies & Medical Farms

Number of Speakers and Presentations

32 +

Number of Sponsors and Exhibitors

10 +

Attendee Profile

- Director & Professors
- Senior Scientist
- Commercial/Business Dev

Explore Amsterdam

Amsterdam is the capital of the Netherlands. These days the city has a population of just over 790.000 inhabitants and is the largest city in the country. Amsterdam is located in the province 'Noord-Holland', situated in the west. It is one of the most popular destinations in Europe, receiving more than 4.5 million tourists annually.

Amsterdam has a great history. Amsterdam, probably the most planned city of northern Europe, has long been a well-known city. In the 17th century Amsterdam was the center of world economy, and nowadays the city is known for its tolerant character. It is very unique for its large and untouched historic center. It has a rich architectural history, dominated by water.
