The Ohio State University, USA

Zhang Luwen
University of Nebraska, USA

James V Rogers
Biomedical Research Center, USA

Barakat S M Mahmoud
Mississippi State University, USA

Arnold L Demain
Charles A. Dana Research Institute,
USA

Ying-Hsiu Su
Department of Microbiology and Im-
munology, USA

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Applied Microbiology-2016 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Applied Microbiology.

About Turkey

Turkey, officially the Republic of Turkey is located boarding western Asia and Southern Europe with the population of about 70 million people. Because of its geo-politically strategic location straddling the continents of Europe and Asia, Turkey has seen long been a hub of commerce and cultural exchange. The area of the country is slightly larger than the US state of Texas or 2.5 times as large as Italy. Economy of turkey is increasing driven by industry and service sector, with agriculture sector accounting about 25%. Capital city is Ankara, the cultural and Economic capital is Istanbul. Turkey is ranked 6th most popular tourism destinations in the world. Turkey hosts two of the seven wonders of the ancient world which are The Mausoleum at Halicarnassus and The Temple of Artemis.
